

Pentecost Term - May 2016

Dear Parents and Carers,

Sacrament of First Holy Communion

The members of staff who attended last week's First Holy Communion felt privileged to be present when some of our children from Year 3 received the Body of Christ for the first time.

We look forward to celebrating with our remaining candidates this Saturday in St Vincent's church at 11am.

Assemblies

Our children in Year 1 enjoyed sharing the amazing discoveries that man has made in their class assembly together with dance and 6 songs! Well done to one and all. A huge thank you to all of you who were able to join us; it makes a huge difference to the children when they see a familiar face in the crowd.

We look forward to Year 3's assembly this coming Friday on the theme of 'Treasures'.

Treasures

sustrans

As we hoped we were successful in the 'Big Pedal' challenge and were rewarded with the Extreme BMX bike show which came to St Vincent's on Tuesday of this week. All of the children and staff really enjoyed the exciting exhibition of BMX stunts. Included in the show as well as the stunts were tips for staying safe when riding. If you have not heard about this already from your child please ask them about it.

When Dr Bike visited we had a few children with bikes that could not be made road worthy and we had some children who do not have a bike. sustrans have donated a re-conditioned bike which is most likely to be a suitable size for a child in KS2. If your child would like to enter the competition and you are happy for them to do so. They must either write a letter

(150 words) or design a poster giving reasons as to why they should be chosen as the bike's new owner. Entries must be in school by Tuesday 7th June. Please make sure that you write your name and class on the back of your entry.

Educational Visits

Details are being finalized for our educational visits which will take place later this term. Once the details are confirmed Individual letters will be sent out containing all details.

School uniform and lost property

A number of children are already wearing summer uniform, can you please ensure that your child has a cardigan/jumper in school for time spent outdoors. Lost property is placed in a box and located near the doors leading to the playground; please check if you have missing items.

What's coming up?

When we return after our half term, we are looking forward to a visit from the Fire Service, a day of Indian dance to coincide with the Macmillan Dress up and Dance Day, cycle training for years 4 and 5, The Book Fair, Sports' Day and our Olympic celebration in the final week of term.

As you can see we have a busy half term coming up; please check the diary dates posted on our website.

Enjoy the half term break with your families

With every good wish

Mrs Lake
