Head Teacher: Mr S Chiswell

Monday 14<sup>th</sup> March 2022

Dear Parents and Carers,

### Ukraine and CAFOD

Last Friday, we invited you to come to school dressed in yellow and blue and to bring in money to support CAFOD and the people of Ukraine. What an overwhelming response! You donated nearly £500 for these great causes – thank you so much!

### Term dates 2022 - 2023

Attached with this newsletter are the term dates for next academic year. Please do look at them carefully and put them in your diary.

### Science week

On Friday it was the start of British Science Week. Over the next week, each year group from Years 1-6 will take part in live on-line lessons and Early Years will have lots of opportunities to observe, investigate and experiment in their learning areas.

Last Friday, Year 6 had a lesson with plant biologist, Dr Dana MacGregor, from Rothamsted Research Centre. Today, Years 2 and 3 will join Life Cycles Live. On Tuesday, Year 1 will join Fantastic Mini Beasts and Where to Find Them. On Thursday, Year 4 will join Climate Change Superheroes hosted by experts from the National Farmers' Union.

There have also been some amazing entries for our British Science Week Poster Competition. You still have time to get your entries in – by Tuesday morning, 15th March 2022.

Each class will be completing a British Science Week activity and, as it is related to Growth, will have the opportunity to plant and bring home a sunflower seed. There will be a competition to see who can grow the tallest sunflower. You can update us regularly by posting photographs in your portfolio on Class Dojo. Thank you to Mrs Aldorino for organising all of this.
