Dear Parents and Carers,

Welcome back to the start of a new half-term! I hope you all had a good break with your families and are ready for lots of learning over the next 6 weeks.

### Green Park

At the end of last half-term, some of our Year 4 children went to Green Park. They had a fantastic time and carried out lots of activities including archery, bushcraft and walking the nightline! The adults that went with them were extremely impressed by their teamwork and positive attitude. Well done Year 4 and a big thank you to the adults who accompanied them!

### Children's Mental Health Week

On the last Friday of half-term, we spent time considering the mental health of our children. The children took part in well-being activities. These included colouring in, singing and sport activities. I also led an assembly focusing on our mental health. We explained the importance of talking to each other and sharing our concerns. Please do take the time to speak to your children about their school day and how it has gone.

### Parent View

Parent View gives you the chance to tell Ofsted what you think of our school. It is a questionnaire which can be completed at any time and not just when the school is being inspected. Please do log in and give your views. The link is below for you.

### Assemblies

From this week, we will be going back to having assemblies in person again in the hall – I am very excited about this! I am looking forward to inviting you in for sharing assemblies and other school events soon! More information will follow in due course.
